

KS2 Results – 2017

The Key Stage 2 tests take place at the end of Year 6 and assess the children against a national standard. Pupils' results in each test are reported using a scaled score, with 100 being the expected standard for Year 6. Writing judgements were formed by Teacher Assessment.

Percentage of pupils achieving expected standards compared to National averages:

Key Stage 2		School	National
RWM (Reading Writing and Maths combined)	% at least expected	81%	61%
Reading		85%	71%
Writing		85%	76%
Maths		93%	75%
GPS		96%	77%

Percentage of pupils achieving higher/ greater depth standards compared to National averages:

Key Stage 2		School	National
RWM	% at higher standard	22%	9%
Reading		48%	25%
Writing		22%	18%
Maths		48%	23%
GPS		63%	31%

Scaled scores were introduced by the DfE, Standards and Testing Agency, to help test results be reported consistently from one year to the next. A pupil's scaled score is based on their raw score. The raw score is the total number of marks received in a test which is then translated to a scaled score using a conversion table.

Average Scaled Scores	School	National
Reading	108.9	104.1
Maths	109.1	104.2

The scores below show how much progress pupils at this school made in reading, writing and maths between the end of key stage 1 and the end of key stage 2, compared to pupils across England who got similar results at the end of key stage 1. A score above zero means pupils made more progress, on average, than pupils across England who got similar results at the end of key stage 1.

School 2017	27 children
Reading	+5.4
Writing	+2.3
Maths	+5.7
